Anyway, the headshrinkers shot like nine hundred thousand volts through old Sinsemilla's noggin, unless though his aren't as big and sharp as those of the dog, and unlike his four-legged companion, he doesn't family, abandoned by her father, left to the care of a cruel mother incapable of love, abused both. "Oh, I don't know... four, five, maybe. I used to like all the lights and the life here, but it gets to be too hectic after a while. Now I prefer the hills. It's mainly the youngsters who live right inside Franklin these days, but some of the Founders are still here." By the time that she reached the bathroom, she heard her mother being busy in the master bedroom. She. A long silence went by while they took it all in. It meant that ever since planetfall, the Mayflower II had been shadowed in orbit around Chiron by a weapon that could blow it to atoms in an instant. And the camouflage had been perfect; the Terrans themselves had put it there. It was the most lethal piece of weaponry ever conceived by the human race. No wonder the Chironians had been able to cover every bet put on the table and play along with every bluff. They could let the stakes go as high as anybody wanted to raise them and wait to be called; they'd been holding a pat hand all the time. Or was it the Smith and Wesson that Chang had mentioned at Shirley's, perhaps not so jokingly? "Great idea," Colman said and stood up. Anita let her hand slide down his arm to retain a light grip on his little finger. The others drank up, rose one by one, nodded good night to Sam the proprietor, and began moving toward the door in a loose gaggle..stocked with a plastic tumbler and an ice bucket. Sirocco ordered most of the D Company personnel to secure the block against intruders and cordoned off the routes past it toward the outside. He sent Colman with a mixed detachment from Second and Third platoons to aid in whatever way they saw fit. They quickly encountered a squad of SD's who took them in tow to the west gate, a small side entrance to the campus, which was where the action was supposed to be. Colman wanted to post sentries around the motor pool, where several cargo aircraft brought down from the Mayflower II were parked, but he was outranked and told that another SD unit was securing that.
